VOLUNTEERS

All of our community supported events were made possible by a supporting community. In 2018, we had over 200 volunteers logging in over 3500 volunteer hours.

Volunteers provide weekly administrative support by answering phones and assisting residents daily during office hours, every week day from 4:30-8:00pm.

Volunteers are crucial to our community events and programs such as our Spaghetti Supper/Bake Sale fundraiser, Race with your Heart, Operation Backpack, Tree of Hearts, and Salvation Army Bell Ringing.

MISSION STATEMENT

To provide emergency shelter for women and their children; financial aid and education; community and resource referrals; and basic essentials to residents of Woodford County who find themselves homeless, victims of domestic violence, or in any other crisis situation

Heart House Shelter

In 1995, Heart House was financially equipped to move into their own secure facility, built with donated funds of caring and concerned individuals, churches, organizations, and businesses throughout Central Illinois. Twenty four years later, Heart House continues to provide shelter to women and their children who are homeless, fleeing from domestic violence or other crisis situations. The shelter is open 24 hours a day /7 days a week. In 2018, Heart House served 19 individuals and 7 children.

When women enter our shelter doors they are filled with uncertainty and hopelessness. We take great pride in our shelter programs, which encourage women to be independent, empowered and gain the ability to support themselves and their children. Each woman and family is unique. Our program examines all aspects of the family dimension, not simply housing and employment. We advocate and contact schools and counselors, attend court appointments, and utilize our resources to offer each person assistance with medical, psychological and spiritual counseling.

For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me.

Matthew 25:35

Currently the programs at Heart House include 1:1 program management, financial and budgeting classes Art from the Heart, domestic violence counseling and support groups, AA classes, parenting classes, cooking and nutrition classes and bible studies. Many of these programs were led by community volunteers and advocates.
